Pipeline

Piccadilly Line Upgrade - Transformer Rooms Detailed Design and Build

Transport for London

UK1: Pipeline notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-024388

Procurement identifier (OCID): ocds-h6vhtk-051c54

Published 21 May 2025, 7:23pm

Scope

Reference

WS1184074907

Description

The four new transformer rooms will support the increased load demand and provide capacity for growth, which is not currently possible due to the insufficient power delivery points on the current low voltage substation switchboards. The Transformer Rooms are located at: Piccadilly Circus, Finsbury Park, Turnpike Lane and Hounslow West. In addition, the new transformer rooms are reducing the number of cable upgrades required and free up cable route capacity.

Contract dates (estimated)

- 2 February 2026 to 1 February 2028
