UWE/028/2023T EPOS System

II.1.2) Main CPV code

- 72212110 - Point of sale (POS) software development services

II.1.3) Type of contract

Services

II.1.4) Short description

UWE are looking to undertake early pre-market engagement for our Electronic Point of Sale (EPoS) system so we can scope a future tender appropriately. Our current EPoS solution handles £3.5 million annually across 800,000 transactions. It is used in our 12 hospitality outlets as well as Printworks, our printing and stationery outlet. Our current solution works alongside Agresso, as our finance system, Procure Wizard, as our procurement and stock management solution, and our Merchant card provider is Barclaycard.We are looking to expand our offering with mobile ordering, digital menus, Click and Collect and other technology that is available on the market.We are looking to work with a supplier who has a proven track record and can provide examples of and references for successfully implementing and/or managing an EPoS solution in a Higher Education environment.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)
