#### Scope

### **Description**

The Ministry of Justice is looking for ways to change the user experience of justice

by providing simpler, faster and better services for everyone to deliver on the MOJ's goals: reducing reoffending, providing swift access to justice and protecting the public.

The Ministry of Justice has a fleet of around 1,750 vehicles with a third of the vehicles being leased. Most vehicles are Minibus and LGV, but the fleet also includes cars, HGV, cell van, car derived vans and 4x4. Half of the fleet is under three years old.

Fuel Cards are currently used under a single national contract and the service, maintenance and repairs are contracted at a local level. To help deliver the MoJ goals, we are looking at the possibilities of having a national contract for fuel cards, service maintenance and repairs and ancillary services.
