II.1.4) Short description

Lambeth Council is looking for consortium bids to provide Housing Related Support Services for high risk young people.

This procurement is undertaken under the Light Touch Regime as per the Public Contract Regulations 2015.

Following extensive consultation and review of best practice, it is deemed that no single organisation will be able to meet the needs of our high-risk young people. Therefore Lambeth Council seeks only consortium bids for a two-year pilot project.

The consortium will operate with a lead provider bringing together the other organisations and having a central role in co-ordinating all parties and reporting outcomes to Commissioning.
