Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Digital Capabilities Tool

Reference number

Proc1843

II.1.2) Main CPV code

- 80000000 - Education and training services

II.1.3) Type of contract

Services

II.1.4) Short description

Jisc Services Limited has entered into a contract with Potentially Limited for the ongoing maintenance and support of the current platform it uses to deliver a Digital Capabilities Tool for staff and students in Higher Education and Further Education. The Capabilities Tool enables users to determine their digital capability and receive relevant resources to help them improve their digital skills. Institutions can also see an overview of staff and student capabilities across their digital landscape.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £283,105

II.2) Description

II.2.2) Additional CPV code(s)

- 80000000 - Education and training services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

United Kingdom

II.2.4) Description of the procurement

The contract is for a specialist Capability Tool with complex question logic that identifies areas of digital skills where staff and students can improve their capabilities. Development resources curated within an integrated content management tool are tailored and presented to each individual user based on their responses to the tool. The Capability tool has been developed to meet the specific requirements of staff and students in Higher Education and Further Education in the UK and internationally. The tool has also been designed around the capability and organisational frameworks of our customers and includes specifically scripted personas relevant to their sectors.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The contract value is £23,238 less than first anticipated and published in the VEAT notice.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The supplier is the sole proprietor of the intellectual property rights in the platform and is therefore the only supplier capable of undertaking maintenance and further system development on the platform. This platform is currently the only solution to provide ALL the functions needed to serve our customers.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2022/S 000-004242](#)
