Award

Supply of tissue processing reagents with waste chemical collection for the Berkshire & Surrey Pathology Services

FRIMLEY HEALTH NHS FOUNDATION TRUST

UK5: Transparency notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-024545

Procurement identifier (OCID): ocds-h6vhtk-051cd3

Published 22 May 2025, 10:17am

Scope

Description

The tissue processing reagents are vital for the Trust to carry out bone decalcification and tissue staining, which are essential for the continued operation of the Histology laboratory. The collection of waste or used reagents is included as part of the service.

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Additional or repeat goods, services or works - extension or partial replacement

This concerns the supply of tissue processing reagents by the existing supplier, where all reagents and products supplied have been tested and validated. A change in supplier would result in the contracting authority receiving reagents that differ from the validated goods,

which would invalidate the current UKAS accreditation. Such differences could result in service disruption.
