Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Civil Works for Riverside Ro-Ro Quarter Ramp Upgrade

Reference number

2021-052

II.1.2) Main CPV code

- 45200000 - Works for complete or part construction and civil engineering work

II.1.3) Type of contract

Works

II.1.4) Short description

The Company is upgrading its existing Riverside Ro-Ro berth which has been in service since 1998. The proposed project will upgrade the existing terminal to allow loading and unloading of larger pure car carrier vessels via a new quarter ramp landing platform. In addition to the new quarter ramp platform, works are required to the mooring dolphins and mooring bollards and a bridge is required between the platform and landside abutment. The berth also requires dredging to the design level.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKC12 - South Teesside

Main site or place of performance

The contracting entity's premises at Teesport, Tees Dock, Middlesbrough

II.2.4) Description of the procurement

The Company is upgrading its existing Riverside Ro-Ro berth which has been in service since 1998. The proposed project will upgrade the existing terminal to allow loading and unloading of larger pure car carrier vessels via a new quarter ramp landing platform. In addition to the new quarter ramp platform, works are required to the mooring dolphins and mooring bollards and a bridge is required between the platform and landside abutment. The berth also requires dredging to the design level.
