Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Marylebone Student Halls Refurbishment

Reference number

DN736397

II.1.2) Main CPV code

- 45210000 - Building construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The University of Westminster is seeking to appoint a suitably skilled and experienced contractor to deliver a design and build project at our Student Hall block at Marylebone.

The project comprises both external and internal refurbishments to the building. Marylebone Hall was last fully refurbished in 2007 and a full refurbishment is now due.

The project requires certain essential works, with the potential to cover some other refurbishment items should budget allow.

Full details will be found in ITT documentation.

Internally, the project involves refurbishment works to the study kitchen spaces, bedrooms and en-suite bathrooms and modifications to the lift shaft to enable the elevators to serve every floor. The external changes are limited to window replacement, existing cladding repairs, and new rooftop coverings and extract fan to vent the lift lobbies.

The refurbishment works and external alteration are seeking to provide improvements to the thermal efficiency of the building, health and safety, fire safety and compliance with building regulations. No changes to the buildings use or number of units are proposed.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKI3 - Inner London – West

II.2.4) Description of the procurement

The University of Westminster is seeking to appoint a suitably skilled and experienced contractor to deliver a design and build project at our Student Hall block at Marylebone.

The project comprises both external and internal refurbishments to the building. Marylebone Hall was last fully refurbished in 2007 and a full refurbishment is now due.

The project requires certain essential works, with the potential to cover some other refurbishment items should budget allow.

Full details will be found in ITT documentation.

Internally, the project involves refurbishment works to the study kitchen spaces, bedrooms and en-suite bathrooms and modifications to the lift shaft to enable the elevators to serve every floor.
