#### **III.1.2) Economic and financial standing**

#### **III.1.3) Technical and professional ability**

The minimum financial requirement for the purposes of the current tender exercise is stated in the procurement documents. However in summary, Tenderers are required to have positive net assets / shareholder funds.

If a Tenderer fails to pass the financial assessment and is part of a larger group, provided that the group accounts are provided to ESPO on request and these pass the financial test, a parent company guarantee may be acceptable provided the Tenderer is a 100% wholly owned subsidiary within the group.

In addition, ESPO will use a Credit Reference Agency to provide information on Tenderers. Where the Credit Reference Agency assigns the Tenderer a score indicating higher than moderate financial risk, ESPO will give further consideration to the financial information and financial stability of the Tenderer.

If ESPO has any reasonable cause for concern in relation to this information that cannot be reasonably resolved then this could give rise to the tender being rejected.

This contract will contain a contract monitoring clause which will require suppliers to ensure that there is no material detrimental change in their financial standing and/or their credit rating (as determined by use of a Credit Reference Agency). Bi-annual review meetings will be held.

ESPO will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers. Applicants who are unsuccessful shall be informed by ESPO as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, The Public Contracts Regulations 2015 (SI 2105 No. 102) provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order for any document to be amended and may award damages, make a declaration of ineffectiveness, order for a fine to be paid, and/or order the duration of the contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.
