II.1.4) Short description

ESPO is undertaking a procurement process to identify and appoint a number of Service Providers to provide Managed Training Services.

The requirement will be divided into the following Lots:

- Lot 1 – Managed Service Provider
- Lot 2 – Learning Management System

Tenderers are invited to bid for one or all of the lots as they wish, and should be clear what lots they are bidding for in their tender document.

ESPO has established a commercial trading company, ESPO Trading Limited, whose target clients are third sector organisations such as national and local charities, public sector mutual organisations and other organisations involved in the delivery of services to or for the public sector. The successful Supplier may be asked to enter into an additional separate framework agreement (the Second Framework) with ESPO Trading Limited on materially similar terms to that found in the tender pack to be entered into by ESPO itself.

Any Second Framework agreement will be a purely commercial agreement and will, for the avoidance of doubt, not be governed by the Public Contract Regulations 2015 or other public

procurement legislation. ESPO Trading Limited may enter into the second framework agreement with the successful supplier and make it available to third sector clients who themselves are not required to follow the Public Contracts Regulations 2015 or other public procurement legislation. Accordingly, this is provided for bidders' information only.

An eAuction process may be used to award subsequent call off contracts following the reopening of competition among the parties to the Framework Agreement.

The framework requires Service Providers to supply throughout all regions of the United Kingdom.
