II.1.4) Short description

The Council is seeking to appoint, through a competitive dialogue procurement, a Private Sector Partner (PSP) with the financial means and relevant experience, skills and resources to make a significant contribution to achieving the Vision for Stockport 8 via participation in a public-private corporate joint venture with the Council, to develop a number of sites in Stockport Town Centre West. The PSP could be a single organisation or group of organisations that bring together the necessary funding and expertise to deliver the Vision.

The red line boundary for the Site to be developed, is provided in the Information Memorandum available in the Procurement Documents. It is estimated that the Site can accommodate approximately 1,200 residential units.

Additional opportunity sites (Retained Land and Third Party Land) are included in the scope of the procurement and may be made available for development at a later date.

The estimated value and contract duration applies to the Site, Retained Land and Third Party Land. The estimated Contract Value is as follows:

The Site = £250,000,000 to £350,000,000

Retained Land and Third Party Land = £50,000,000 to £100,000,000

Total Contract Value = £300,000,000 to £450,000,000

The contract duration shall be an initial term of 15 years with an option for the parties to agree to extend the term for up to five years on expiry of the initial term.

For the avoidance of doubt, the Council is seeking to appoint a PSP to develop the Site,

via participation in a public-private corporate joint venture. The initial scope for the joint venture will be the Site as defined by the red line boundary in the Information Memorandum. Any future additional development of Retained Land and Third Party Land, will be agreed between the parties and is not guaranteed as part of this procurement.

II.1.5) Estimated total value

II.2.4) Description of the procurement

Construction Works.

Construction Professional Services.

Real Estate Services.

The Council is conducting a competitive dialogue process pursuant to Regulation 30 of

the Public Contracts Regulations 2015 ((PCR) which will involve the following core stages:

- shortlisting up to four organisations following an evaluation of their capacity, capability, and financial standing of Tenderers to meet Council requirements;
- conducting dialogue with shortlisted bidders during which initial and detailed solutions will be developed, before the Council invites final tenders from bidders.

The works and services referenced in this contract notice are indicative only and contains the broad categorisation of works and services rather than particulars. Bidders should assume that the works and services actually required will broadly be within the CPV Codes listed above but will also include extensions to related or ancillary services within each categorisation. The actual scope of services required may also be narrower than that set out in the CPV Codes.

While the estimated range of value for the contract is explained in this notice, the Council is unable to give a definitive contract value and the final value will depend on the scope of the final works and services required to deliver the Vision for Stockport 8. Bidders should presume that this value will cover the works and services listed and those ancillary to the principal services required on a project of a comparable scale as the Vision for Stockport 8 (including any extensions of scope set out in this notice).

To help to ensure that sufficient interest in the contract will be generated, the works and services being procured will not be divided into separate lots.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £450,000,000
