II.1.4) Short description

Scotland's Railway are inviting organisations interested in becoming a framework partner, who will help deliver our future renewals and enhancements projects, to attend a supplier engagement event in Glasgow City Centre at the beginning of October. This session will specifically introduce our plans for Electrification, Civils and Geotechnical works.

The event will comprise briefings from senior stakeholders setting out our procurement plans for Control Period 7, with a chance to ask questions of the Network Rail team. Following this session, interested parties will be asked to complete and return a questionnaire providing supplier insight and feedback on the proposals.

Please confirm your attendance through the BravoNR procurement portal by Monday 19th September, for an event week commencing 3rd October. Final details to be confirmed.
