This RFI is an information-gathering exercise to support future direction and decision-making in this area and to establish potential suitable alternatives to current providers.

Respondents do not need to currently manufacture CEDs to respond to this RFI, evidence of the capability to manufacture CEDs is sufficient.

The Home Office is undertaking early market engagement in relation to Conductive Energy Devices

This Prior Information Notice (PIN) directs interested potential suppliers to the Home Office's Jaggaer eSourcing portal, where a Request for Information (RFI) document can be downloaded. Once completed the RFI can then be submitted via the Jaggaer eSourcing portal

Please visit: <https://homeoffice.app.jaggaer.com/web/login.html>, log in, and search for pqq_513 Conductive Energy Devices Request for Information

We will also use our Early Market Engagement site to share information and updates with interested potential suppliers, request feedback and allow potential suppliers to communicate with us via secure message.

If your organisation is not yet registered on Home Office's Jaggaer eSourcing portal, please visit the portal and register by following the link on the homepage: "To register click here".

Please note that to register, your organisation must have a valid DUNS number (as provided by Dun and Bradstreet) for the organisation that you are registering, which would be entering into a contract if invited to do so.

II.3) Estimated date of publication of contract notice

26 January 2026

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
