### **II.2.4) Description of the procurement**

Delivery of this Direct Access NOUS Service will:

- Ensure patients receive the right test at the right time and in the most clinically appropriate local setting;
- Ensure diagnostic testing is integrated across pathways of care, that the report and images follow the patient and that there is no unnecessary duplication of investigation;
- Enable patients and referring clinicians to access a choice of provision according to patient choice, clinical need and relevant care pathway;
- Ensure diagnostic tests are necessary, clinically appropriate, of high quality, with timely access and high quality images and clear reporting;
- Provide a high quality and safe service by following the published clinical guidelines and good practice (as set out in Section 4 - Applicable Service Standards);
- Ensure excellent patient experience; and
- Develop local service provision as part of a diagnostic commissioning plan which aims to improve access and choice for patients.
