Section VI. Complementary information

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. The DPS is a two-stage process: In the initial set-up stage, all organisations who meet the selection criteria and are not excluded will be admitted to the DPS. There will be no limit on the number of suppliers that may join the DPS for each service category. New suppliers can also apply to join the DPS at any point, even those rejected previously. Individual contracts are awarded during the second stage. At this stage, approved suppliers of the DPS will be invited to bid for the service category and location for a specific contract.
