Section II: Object

II.1) Scope of the procurement

II.1.1) Title

SCC - Prj 1673 Back of House Refurbishment to Southend Crematorium

Reference number

DN610802

II.1.2) Main CPV code

- 45453100 - Refurbishment work

II.1.3) Type of contract

Works

II.1.4) Short description

Southend on Sea City Council are carrying out this procurement in the form of an Open Tender for the provision of the Back of House Refurbishment works to Southend Crematorium in order to accommodate 3 new Cremators and associated plant. The manufacture, supply, and installation of the 3 new cremators, associated plant and temporary external cremator will be carried out by Facultatieve Technologies (FT) who have been appointed by SCC under a JCT 2016 Design and Build Contract. It is a condition of this tender that the contract with FT will be novated over to the successful Contractor once they are appointed.

The refurbishment works includes the replacement of the three existing cremators and plant including a temporary external cremator to allow the crematorium to operate during the works (to be carried out by FT). It will also include the demolition of the existing brick chimney, renewal of the flat roof coverings, and structural and internal alterations to the internal spaces to create a more efficient work environment.

The contract will be let under JCT 2016 Design and Build Contract with Employers Requirements, drawings, contract sum analysis, building specification, mechanical and electrical specification, and structural specification. The contractor will be expected to complete the detailed design of RIBA Stages 4 to 7 as outlined in the specification and accompanying tender documents

II.1.5) Estimated total value

Value excluding VAT: £2,700,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45000000 - Construction work

II.2.3) Place of performance

NUTS codes

- UKH31 - Southend-on-Sea

II.2.14) Additional information

This procurement process will be conducted electronically via the Council's e-tender facility Procontract: <https://procontract.due-north.com> under Reference no.: DN610802

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

Before any tenderer is awarded the Contract, the Contracting Authority will require evidence as outlined in Regulation 58(8)(a), (16) and (18) - Economic and Financial Standing and Regulation 60 Means of Proof. The qualification criteria include a requirement for tenderers to demonstrate that they have a minimum financial turnover of 3,000,000 GBP per annum.

III.1.3) Technical and professional ability

List and brief description of selection criteria

The Council will be using the CCS Standard Selection Questionnaire (with PAS91 updates) as well as contract-specific requirements as minimum levels of standards as outlined in the tender documents and e-tender questionnaires.

Tenderers will also be required to provide details of relevant experience (in the area and value of the contract) to establish that the company tendering can demonstrate the required professional ability to provide the refurbishment works required.

Tenderers will also be required to agree to employ the named sub-contractor for the manufacture, supply, and installation of the 3 new cremators and associated plant via a deed of novation as detailed within the tender documents.
