Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Hospital @ Home Remote Monitoring Solution

Reference number

DN631466

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

Somerset NHS Foundation Trust is embarking upon an exciting project to develop community respiratory and frailty services under the auspices of the NHS Hospital@Home initiative, the aim being to reduce the dependence of patients and other agencies upon acute sector beds. Other specialities may also be added to the scope of works during the contract period.

II.1.5) Estimated total value

Value excluding VAT: £180,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK23 - Somerset

II.2.4) Description of the procurement

The Somerset Virtual Ward will commence shortly. The team will provide support for both early hospital discharge and admissions avoidance, undertake a variety of interventions to support patients, including home assessment, telephone/video contact and the application of digital monitoring systems to manage a caseload. The team will link seamlessly with colleagues in primary care, secondary care, and other developing elements of the Hospital@Home service, so providing virtual ward support for patients who would otherwise be in hospital.

These demonstrations will help the Trust to develop a specification for a future procurement exercise. No contract will be awarded as a result of this PIN.

II.3) Estimated date of publication of contract notice

1 November 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
