Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

The award of the contract direct to Life Technologies is justified due to their exclusive ownership of the Intellectual Property for the item required, competitive pricing in terms of value for money compared to third party distributors for the same item and also the elimination of risks associated with using third party suppliers.

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement
