II.1.4) Short description

This is an update to the PIN which was published on 28th October 2020 from Edinburgh Health and Social Care Partnerships (EHSCP). Following a significant period of engagement and consultation, with the providers who noted their interest in the original PIN, we are today informing the market of our intent to revise the scope of the original PIN to include all adult homebased support and not just older adults as was originally proposed. This is in acknowledgement that existing “care at home” providers in Edinburgh already support a wider group of people - approximately 25% of people supported by “care at home” providers are under the age of 65 years with a range of support needs linked to Learning Disabilities, Mental Health and/or Physical Disabilities and not to old age and frailty.

II.1.6) Information about lots

This contract is divided into lots: No

II.2.4) Description of the procurement

The purpose of this PIN is to engage with the market and update original PIN published in 28th October 2020 and gain insight into the likely level of interest from providers in the Edinburgh Health and Social Care Partnerships requirement for Home based support. This is not a Call for Competition; it is for initial engagement purposes only, with an invite to a provider market event where further information will be provided. To ensure your organisations participation in this process, you will be required to note interest against this PIN.
