CHIC Fire & Building Safety Framework 2024-2028

Reference number

RFX-163

II.1.2) Main CPV code

- 45343000 - Fire-prevention installation works

II.1.3) Type of contract

Works

II.1.4) Short description

CHIC is seeking to establish a framework of suitable independently third-party accredited Economic Operators to deliver fire and building safety related works and professional services for its Members. The framework aims to enable Members to manage the compliance of their properties and encompasses the remediation, installation, servicing and maintenance of passive and active fire safety and building safety measures and related consultancy services across, but not limited to domestic properties and communal areas.

The scope of this framework includes for the full and partial installation and replacement of passive and active fire and security systems and installations in domestic properties and communal areas.

Passive fire safety works include fire doorsets (supply and fit and supply only), compartmentation and cladding with additional options for associated surveys and design. Active fire safety works include sprinkler systems, risers, alarms and detection, emergency lighting, smoke control systems, access control and CCTV systems (including optional monitoring services).

Servicing, maintenance and repair of passive fire and security systems and installations in domestic properties and communal areas and includes doorsets, sprinklers, risers, alarms and detection, emergency lighting, smoke control systems, access controls, CCTV systems

and fire extinguishers.

Fire and building safety related consultancy services and includes façade engineering/ design, building safety case support, fire risk assessments, fire door inspection, waking watch provision and general fire safety consultancy services.

The opportunity has been divided into three lots as follows:

Lot 1 – Fire Safety Installation and Replacement

Lot 2 – Fire Safety Servicing and Maintenance

Lot 3 - Fire Consultancy and Management

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However

any selection of tenderers will be based solely on the criteria set out for the procurement. Communities & Housing Investment Consortium (CHIC) is a central purchasing body and information in respect of CHIC and a Schedule of CHIC Members can be found on the CHIC website: www.chicltd.co.uk and a list of current Members can also be found in the draft Framework Agreement. CHIC is procuring the Framework Agreement on behalf of all Authorised Users as described in the Framework Agreement. Call-off Contracts from the Framework Lots may be used to supply material to meet a range of construction needs across both Housing and other properties including social and commercial premises.

VI.4) Procedures for review

VI.4.1) Review body

The High Court, Royal Courts of Justice

The Strand,

London

WC2A 2LL

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Communities & Housing Investment Consortium Limited will observe a ten-day standstill period calculated in accordance with the Public Contracts Regulations 2015. Under those Regulations aggrieved bidders may by way of proceedings in the High Court seek relief in respect of alleged breaches of the Public Contract Regulations 2015 which may include declaring any award ineffective, and/or seeking damages. After expiry of the ten-day standstill period CHIC will unless prevented by order of the Court conclude and enter all Framework Agreements.
