Reference number

DN631626

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

Essex County Council (ECC) seeks input from the market to inform the scoping of a potential future procurement opportunity concerning a tool for the mapping of supply chains to provide visibility and to aid in the management and detection of risk. Our aim is to provide ECC with a modern, flexible, and cost-effective solution and we are looking for potential suppliers to engage with us on market solutions.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKH3 - Essex

II.2.4) Description of the procurement

ECC seeks to engage with suppliers to explore market solutions for its future requirements. ECC welcomes interest from suppliers with expertise and experience in supporting supply chain mapping programmes, as well as those who can offer products that would enable ECC to conduct the same programmes itself. Native support for risk assessment would be desirable in the product but is not seen as essential.

This market engagement exercise is not linked to a specific tender opportunity. Suppliers who are not selected for engagement will not be precluded from any future tender opportunity.

II.3) Estimated date of publication of contract notice

31 January 2023
