#### **II.1.4) Short description**

Crown Commercial Service (CCS) as the Authority intends to put in place an agreement for the provision of mobile voice and data services (including hardware) and ancillary services (Telecommunications Audit & Health Check and Professional Services) in support of the mobile voice and data services to be utilised by or on behalf of the UK public sector and their associated bodies and agencies, the voluntary sector, charities and or other private organisations acting as managing agents or procuring on behalf of the public sector delivering services of a public nature. It is intended that this commercial agreement will be the recommended vehicle for all mobile voice and data requirements.

The policy drivers supporting the development and procurement of this Framework Agreement are to provide buyers with a route to market compliant with UK Law, achieving best value through leveraging public sector spend, improve the buying of mobile voice and data services in the UK public sector and to provide buyers with access to high quality mobile voice and data services.
