Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Technology Services Partner Framework

Reference number

prj_4546

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

Southern Water is going to market for strategic partners to become part of the Technology Service Partner Framework Agreement to deliver IT services, including but not limited to Strategy & Architecture, Software Engineering, Application Support, Maintenance & Operations, Resource Augmentation (inc. Business Process, Infrastructure) and other ancillary services

This provision will likely be a two-stage negotiated procedure with prior call for competition to set up a Technology Service Partner Framework Agreement lasting 4 years, with an option to extend for a period of up to 4 years.

It is anticipated that the opportunity will be formally published before the end of Q3 2023.

The supply of services will be remote or across the entire Southern Water (SW) region. SW's region covers Kent, Sussex, Hampshire and Isle of Wight.

Any estimated quantities or values contained or referred to in this or other tender documents are for guidance only. They do not bind SWS to buy any specific quantities should the bidder be successful and enter into an Agreement.

The Goods and Services which the successful bidder(s) will be asked to provide under this agreement is currently split across 8 lots. Bidders will be eligible to apply for one or more of the available lots. The lots are currently as listed below:

- 1 Digital & Technical Services
- 2 Corporate System Services
- 3 Operational Technology Services
- 4 Enterprise Information Management
- 5 Data & Analytics
- 6 Strategy & Architecture
- 7 Quality & Process Services
- 8 Infrastructure

Please note that SWS reserves the right to update the lot structure and scope at the release of the contract notice for the Technology Services Partner Framework

II.1.5) Estimated total value

Value excluding VAT: £358,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Maximum number of lots that may be awarded to one tenderer: 3

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Lots can be awarded as single or multiple lots to one or more tenderers

II.2) Description

II.2.1) Title

Digital & Technical Services

Lot No

1

II.2.2) Additional CPV code(s)

- 48300000 - Document creation, drawing, imaging, scheduling and productivity software package
- 48400000 - Business transaction and personal business software package
- 48500000 - Communication and multimedia software package
- 48600000 - Database and operating software package
- 48700000 - Software package utilities
- 48800000 - Information systems and servers
- 75112000 - Administrative services for business operations

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

Main site or place of performance

Kent, Sussex, Hampshire and Isle of Wight

II.2.4) Description of the procurement

• SWS had an aged digital technology platform. AMP7 has focused on replacing most of the digital platforms with heavy focus on new age technologies. The service portfolio has involved building a new integration platform and rolling it out across the estate. AMP priorities included:

1. Digitise health and safety
2. Enhance environment / waste / wholesale digital capabilities
3. Enhance water digital capabilities
4. Customer digitisation
5. Other business driven spend / digitisation
