II.1.4) Short description

Nottingham City Council is tendering for the provision of a Family Learning Service. Providers in receipt of an Adult Education Budget Community Learning allocation will be expected to work in line with the ESFA policy objectives. The CFL Learning Programme seeks to achieve aims and objectives through the delivery of Community Learning provision under the following programmes Wider Family Learning provision is designed to support different generations of family members to learn separately or together. It has the aims of developing the skills and knowledge of both the mother or father or carer and child participants and enabling mothers and fathers and carers to be more active in the support of their childrens learning and development and to understand the impact of that support. Family English Maths and Language is provision designed for mothers and fathers or other carers of children with English and Maths needs or is for families where English is not the primary language. Programmes should aim to improve the English Maths and Language skills of mothers and fathers or carers and their ability to help their children and improve childrens acquisition of English Maths and Language skills. Personal and Community Development Learning is learning for personal and community development cultural enrichment to acquire a new skill or to pursue an interest. In most cases there would be no formal qualification outcome attached to such learning.
