Where the economic operator relies upon the capacity of other parties in respect of selection and/or performance of the contract, then dependent on the nature of the arrangement the Council may require full disclosure of financial information in support of the bid. For example, where the bidder identifies as a consortium the Council will require that the consortium, as a group, can meet the financial selection requirements contained in the procurement documents. Where a bidder is part of a Consortium, it shall procure the execution and delivery to the Employer of a Consortium Guarantee (in the form provided by the council) executed by each member of the Consortium (acting as Consortium guarantor) in Self Proving Form.

The Council reserves the right to monitor that the economic operator continues to meet the financial selection requirements upon receipt of the invitation to tender or after evaluation has been completed and prior to any award being made. Economic operators must inform the Council of any changes to any submission made by them in respect of their financial and or economic situation. The Council will further reserve the right to remove any economic operator from the tendering process where they are no longer able to fulfil any of the selection requirements as directed within the procurement documents.
