Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

This contract is for an extended warranty for existing laser systems and the original equipment manufacturer is the only provider authorised to and technically capable of meeting our requirements, therefore an award of a contract without prior publication of a call for competition is justified under regulation 32(2)(b)(ii) of the PCR 2015 because competition is absent for technical reasons.
