## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.2) Information about electronic workflows**

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

### **VI.3) Additional information**

SPD (Scotland) will be scored on a pass/ fail basis.

Question scoring methodology detailed in the Evaluation and Award Criteria document will apply when scoring the Technical Response Documents during the evaluation stage.

Each evaluator will award a mark for each question between 0 and 4, in accordance with the methodology detailed below;

Technical responses will be evaluated using the following methodology:

0. Unacceptable = Nil or inadequate response. Fails to demonstrate an ability to meet the requirement.

1. Poor = Response is partially relevant but generally poor. The response addresses some elements of the requirement but contains insufficient/limited detail or explanation to demonstrate how the requirement will be fulfilled.

2. Acceptable = Response is relevant and acceptable. The response addresses a broad understanding of the requirement but may lack details on how the requirement will be fulfilled in certain areas.

3. Good = Response is relevant and good. The response is sufficiently detailed to demonstrate a good understanding and provides details on how the requirements will be fulfilled.

4. Excellent = Response is completely relevant and excellent overall. The response is

comprehensive, unambiguous and demonstrates a thorough understanding of the requirement and provides details of how the requirement will be met in full.

Evaluators can award a score of 0, 1, 2, 3 or 4.

For questions denoted 'M' tenderer's must achieve a minimum moderated average score of 2. If the moderated average score is less than '2' for any of the questions marked 'M', the tender will not be subject to Price Analysis and a score of 0 (zero) will be awarded in respect of the Price Score. As a result, the tender will not be considered further.

The Commercial Evaluation will be split into 3 parts and weighted against separate scoring criteria;

Core Programme Management - 30% weighting

Phase 1 Scoping Activities - 40% weighting

Intervention Staffing Rates - 30% weighting

Each tab will be scored in isolation using the mathematical calculation detailed in the Evaluation and Award Criteria guidance before combining to give an overall total score for Commercial Evaluation.

To access procurement documentation, please access PCS-T and enter the following:  
Project Code - 22061 or ITT Code - 45811.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 45811. For more information see:
