- UK - United Kingdom

Main site or place of performance

National

II.2.4) Description of the procurement

Network Rail is seeking to put in place a contract for the provision of helicopter services to deliver aerial survey work across its national infrastructure and estate.

The contract will provide Network Rail with access to helicopter-based survey capability nationally, across its Regions, with service availability 365 days per year between the hours of 0700 and 1900.

II.2.14) Additional information

Network Rail has used helicopters to survey its assets and create aerial pictorial maps of the railway infrastructure since 2004.

Currently, this capability is delivered by two, twin engined helicopters, one covering Scotland (flying 600 hours p/a) and one covering England and Wales (flying 450 hours p/a).

Network Rail provides the Aerial Survey Specialists that accompany each flight.

II.3) Estimated date of publication of contract notice

20 November 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Provision of Personal Protective Equipment

Provision of Information Technology

Flight Bases and Facilities requirements

Requests for further information and any questions or clarifications in respect of this RFI should be addressed to Graham.Holbrook@networkrail.co.uk

Please note any discussions which do occur will cease immediately should a formal competition ultimately be announced. Network Rail is committed to ensuring fairness, openness and transparency, and to following UK procurement regulations. The Periodic Indicative Notice is issued solely for the purpose of conducting pre-procurement market engagement via a request for information and does not constitute any commitment to undertake any procurement in the future. Interested parties will not be prejudiced by any response or failure to respond to the PIN event and a response to this PIN does not guarantee any invitation to participate in this event or any future procurement.

This PIN does not constitute a call for competition to procure any services, supplies or works mentioned in this PIN and Network Rail will not accept any proposals offered in response to this PIN. Network Rail is not liable for any costs, fees, or expenses incurred by any party in replying to or attending any PIN event. Any procurement of any services, supplies or works by Network Rail will be carried out strictly in accordance with the provisions of the Utilities Contracts Regulations 2016.

Network Rail would like to thank you in advance should you wish to respond to this Request for Information.
