Description

GFRS is seeking information from potential suppliers of rota management and payroll systems, to gather information about products and services. We are conducting this exercise as the service is keen to assess available solutions and better understand the capabilities of potential vendors.

This Request for Information (RFI) seeks information relating to the procurement of a system, or combination, of systems, as detailed below.

-a single employee payments and Duties solution that replaces all systems currently in use by GFRS.

-a combination of modules that provides a payments and Duties solution that replaces all

systems currently in use by GFRS.

Contract dates (estimated)

- 1 March 2026 to 28 February 2031
- 5 years

Main procurement category

Services

CPV classifications

- 48330000 - Scheduling and productivity software package
- 72000000 - IT services: consulting, software development, Internet and support
