Description

We are looking for a Partner to help us deliver a Digital Front Door (DFD) enabling citizens to manage their health and care and local providers to optimise workflow. The DFD aims to provide access to a set of products, services, and relationships with partners in the delivery of health and care which help us co-ordinate care, personalise interventions and actions and enable us to centralise some services to make them more efficient. A market Engagement was conducted in November 2024 and the original notice for this market engagement was 2024/S 000-032144 <https://www.find-tender.service.gov.uk/Notice/032144-2024?origin=SearchResults&p=1> The Authority reserves the right not to proceed with this procurement, and it is also subject to internal governance approval. The Authority will not be liable for any costs incurred by any

interested party in relation to this opportunity. *Our working assumption is that VAT is fully recoverable, however, this will be reviewed in light of bidder solutions and organisational forms. For all communications, please use the 'Health Family' e-procurement system (Atamis) and for further information: <https://atamis-1928.my.site.com/s/Welcome> Reference C362127 - NHS Cambridgeshire and Peterborough Digital Enablers Programme, it is the intention that all future Procurement notices will be issued against that reference.
