II.1.4) Short description

This procurement exercise is being undertaken to create a framework of providers who can support the delivery of the Mayor's homes retrofit programme. The new Framework is intended to cover the appointment of a Service Provider(s) to administer and manage scheme applications and manage and deliver installations of energy efficiency measures for Warmer Homes Phase 3.

The Framework will also cover fast procurement of other homes retrofit programmes, enabling London to take advantage of future grant funding opportunities as well as helping to develop the able to pay market.

The Mayor is currently working on securing London's proportionate share of ECO4 funding. If successful, this would be circa £130m annually until 2026, much of which could be delivered through this Framework.
