## **Section VI. Complementary information**

### **VI.3) Additional information**

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023.

For the avoidance of doubt, the provisions of Procurement Act Regulations 2023 do not apply to this award

The publication of this notice marks the start of the standstill

period. Representations by providers must be made to decision makers by 3rd June 2025 . This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Details of the Award Decision-Makers: Dr David Kennedy.

Conflicts of Interest: There were no conflicts of interest identified among the decision makers.

Rationale: The Authority intends to directly award a contract to Royal Wolverhampton Hospitals NHS Trust under the Direct Award Process C.

Clinical criteria: Suitable / compatible analytical methodology, appropriate reference ranges and clinical comments, availability of useful clinical advice (based on national reputation,

and/or experience and/or user feedback)

UKAS Accredited (or ETS applied for and pending assessment)

This decision to proceed with Direct Award C is based on the following criteria:

- The authority is not required to follow Direct Award A or B.
- The new contract will replace the existing contract upon its expiration.
- The considerable change threshold is not met.

- The existing provider is performing satisfactorily and is expected to continue to do so.
- The provider meets the basic selection criteria.

The new contract will cover a Biochemistry laboratory testing service, for a duration of 36 months and is valued at £45,000.
