II.2.4) Description of the procurement

The Metropolitan Police Service (MPS) currently outsources a range of Occupational Health services, employee assistance programmes and Eye Care Services, including the provision of an online OH case management system.

The MPS intends to re-procure this service requirement from Summer 2024. The service will deliver health and wellbeing support to officers and staff to ensure that they are supported through illness and injury and able to return to work quickly and safely. The occupational health offer is at the heart of our employee benefits package and crucial in our mission to increase the capacity of the MPS including the ability of our staff to work effectively and our officers to be deployed. The service provision will support the largest police service in the UK which has a range of 24/7 operational and professional roles, working environments and fitness requirements.

Suppliers wishing to participate in this opportunity are advised to register in the MPS e-

tendering system (Coupa) under project event #1775. Further communication about the event, including any planned pre-tender market engagement, will be communicated/advertised through this portal/event reference.
