DIATOMIC – GLOBAL PROGRAMME

Reference number

DN687090

II.1.2) Main CPV code

- 79400000 - Business and management consultancy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

Connected Places Catapult is implementing DIATOMIC (Digital Innovation for Transformative Change) which has the goal of accelerating place-based innovation in the West Midlands. The programme funded by Innovate UK is being delivered in collaboration with Birmingham City Council, Aston University, Birmingham City University, University of Birmingham, and Greater Birmingham Chambers of Commerce.

The programme will broaden and accelerate the West Midlands innovation ecosystem by enabling more people and places to be involved in the design and delivery of innovation, and the diffusion of the benefits into the community.

As part of DIATOMIC work programme, there will be a work stream dedicated to strengthening West Midlands capacity to establish global research & innovation collaborations, attract foreign direct investment and increase the participation of West Midlands based companies in international trade flows.

The supplier will provide access to a team who have a range of technical skills and capabilities to

support the delivery specific elements of the global work stream which is described in detail in Appendix2.

If interested, please register at link below if not already registered and Express an Interest on this project and you will be able to download the tender documents:

<https://procontract.due-north.com/Register>
