Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The day after the publication of this notice marks the start of the standstill period. Representations by providers must be made to decision-makers by 21st August 2024. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR. Written representations should be sent to procurement@calderdale.gov.uk

The award decision-makers for this contract are the Borough Council of Calderdale Public Health Leadership Team.

Declared and potential conflicts of interest were assessed, and none were identified.

Each of the key criteria was given equal weighting as no single criterion is of higher priority than the others for the successful delivery of HIV support and Prevention service and the related population outcomes for the people of Calderdale.

1. Quality and innovation (20%) - The provider is up-to-date with the evidence base and service user needs from the national stigma survey and collects recent service users feedback to improve service provision in Calderdale.

2. Value (20%) - The provider offers value for money and contributes to the reduction of late HIV diagnosis and HIV testing coverage across Calderdale, which is performing better than the England average. The provider contributes to the integrated care system by supporting services to deliver quality HIV support and by referring others to relevant services that help individuals' health and well-being. The provider has maintained a high level of performance and supports over 264,000 individuals yearly.

3. Integration, Collaboration and Service Sustainability (20%) - The provider works collaboratively and is integrated with other health services.

4. Improving access, reducing health inequalities and facilitating choice (20%)- As a part of the provider's service users' needs assessment process they ensure that the support is accessible and make required adjustments to support so service users can access support and by considering climate adaptation.

5. Social Value (20%)- the provider has been awarded the quality of life health marker and takes on student placements and volunteering equalling over 900 hours annually. The

provider employs local people.
