Software Subscription Services (Harmonised System Code Lookup)

Reference number

Project_1299

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

The Department for International Trade (DIT) has a requirement for

an API that can be used to help importers to find a Harmonized System (HS) code and right tariff for their products. This HS code enables them to describe their products and find the right tariff.

To access this procurement, please follow the link provided to register on DIT's e-tendering platform, Jaggaer. Once registered, search for "Project_1299" and / or Software Subscription Licences (Harmonised System Code Lookup).

Suppliers interested in the opportunity must contact commercialddat@trade.gov.uk to be added to the project and to enable submission of your bid.
