II.1.4) Short description

CHP wish to commission a company to carry out tree condition surveys within our housing stock and property area. There are approximately 5600 trees (over 3m tall in 2021) across Essex and the surrounding areas which require surveys. The locations of the trees are in both communal areas and in gardens of Customers' individual properties.

The rationale of the tree surveys is to not only to maintain the inventory, but also to identify any trees posing any risk and to recommend arboricultural works to reduce any such risk to an acceptable level and in line with good arboricultural practice.
