Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

PLEASE NOTE: This is a renewal Prior Information Notice (PIN) for the upcoming Construction Materials tender opportunity. This replaces the previously published PIN (Reference number: AUG455130, OCID number: ocds-r6ebe6-0000675466). All future communications and the upcoming tender opportunity will be linked to this new PIN.

Scotland Excel will shortly be publishing a tender opportunity on behalf of all 32 local authorities in Scotland, together with any Integration Authority, or other body, established pursuant to the Public Bodies (Joint Working) (Scotland) Act 2014. For more information about Scotland Excel and its members, please see http://www.scotland-excel.org.uk/.

This opportunity combines 6 current Scotland Excel materials frameworks into one offering making the process of tendering across our materials frameworks less resource intensive. Where this notice highlights that the framework will be divided into lots, these lots will also be divided into sub-lots and tenderers will have the option of tendering for one, several or all sub-lots. Please note, Scotland Excel are currently finalising the lot structure before publication, and this may change slightly from the details provided.

Interested parties can find further information on the upcoming framework at the following link:
