VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The provision of additional doses of live attenuated intranasal influenza vaccine, to be used to support the annual seasonal influenza vaccination programme in the UK. The additional volume requirement is 37,160 doses of vaccine.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The additional doses of LAIV are necessary for the Government's children's flu programme; AstraZeneca have exclusive rights to manufacture and supply a LAIV product (Fluenz Tetra) and are the only supplier in the UK of a LAIV product with marketing authorisation which means DHSC cannot engage another supplier to provide the additional doses without significant inconvenience

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1

Total contract value after the modifications

Value excluding VAT: £1
