II.1.4) Short description

Haringey Community Sexual Health Service- Outreach and Health Promotion

Haringey Council is seeking to procure a sexual health & HIV (outreach and promotions) prevention and community testing service for all of its diverse population, and with particular focus on the following Haringey residents:

- BME Adult Communities (over 18's) in Haringey. Particular attention will be given to Black African, Caribbean and Latin American communities
- BME men who have sex with men (MSM)
- BME LGBT
- Other communities in Haringey who may not be accessing services and support due to language barriers

The service will deliver a range of accessible, high-quality, responsive, cost-effective, confidential, outreach and integrated prevention services to Haringey residents, and shall collaborate and support the delivery of sexual health services in primary care and other community settings, in partnership with Haringey Council.

The service will provide direct access to sexual health services, safer sex promotion and signposting (through both staff and advertising) to other local sexual health services, including pharmacists and general practice. It is essential that this information is clearly accessible to users when services close during usual opening times as a result of capacity or unplanned reasons.

The Provider will deliver a community sexual health service that works closely with all sexual and reproductive services, GUM, Primary Care (General Practice & Pharmacies), Specialist HIV clinics, counselling and outpatients and other sexual health services.
