- UKF3 - Lincolnshire

II.2.4) Description of the procurement

Lincolnshire County Council are looking for a supplier to provide the services briefly described as repair and maintenance of CCTV systems, smoke/ fire detection systems, automatic gate systems with an access control system and electric fences at their waste sites and highways depots.

The Council's Sites currently comprise 11 household waste recycling centres, 5 waste transfer stations (WTSs) and 8 highways depots throughout Lincolnshire.

These sites are located at Boston, Bourne, Gainsborough, Grantham, Lincoln, Louth, Tattershall, Market Rasen, Skegness, Sleaford, Spalding, Ancaster, Horncastle, Manby, Sturton, Thurlby, and Willingham.

All the above sites have CCTV installed, and all sites will require the repair and maintenance of CCTV systems. Only the WTSs have a smoke/ fire detection system fitted, therefore only the 5 WTSs will require the repair and maintenance smoke/ fire detection systems. 5 of the highways depots have automatic gate and access control systems which will require repair and maintenance of automatic gate and access control systems, 3 of the highways depots have electric fences which will require repair and maintenance of electric fences. .

The Council reserve the right to add to, remove or amend the systems installed at the above sites, and to add or remove sites from the contract. For example the Council may seek to incorporate ANPR repair and maintenance during the contract period

Please see the Specification in ITT Document 2 for further details.

SQs shall be submitted via the Pro-Contract Due-North portal no later than 14th October 2022 at 12.00 noon.
