The Council seeks to secure the services of expert external advice to support the Council's Corporate Management Team (CMT) through a (circa) 4 month process to better understand how we can optimise our support services to deliver the best value internal services. You will need to describe and document an operating model(s), for our support services persuading us of the case to change and benefits of the model(s). This must include identifying and setting out the changes and projects that will realise the operating model(s) and a high level plan that sequences the changes and projects. We anticipate Finance and IT being initial areas of interest. This should include high-level/estimated (one-off and recurring) costs and benefits for each project and the programme as a whole. We plan to publish this tender week ending 14 October 2022. Ahead of this, we are holding a Market Engagement Event at 15:30 on Monday 10 October 2022 via Microsoft Teams. (PLEASE NOTE THAT THIS IS A CHANGE OF DATE FROM THE PREVIOUS NOTICE, WHICH WAS 7 OCTOBER 2022 - THIS MEETING IS NOW CANCELLED). This will provide bidders with an opportunity to hear more about our plans and timescales and ask any questions they may have. If you wish to attend please email procurement@centralbedfordshire.gov.uk with names and email addresses of attendees. Confirmation will be sent to you.
