SIT NMS – NEL Flow Programme

Department for Science, Innovation & Technology

UK1: Pipeline notice - Procurement Act 2023 - view information about notice types

Notice identifier: 2025/S 000-025416

Procurement identifier (OCID): ocds-h6vhtk-051f95

Published 22 May 2025, 9:14pm

Scope

Description

The Flow Programme leads the NMS activity associated with flow measurement and gears metrology. It invests in the UK's physical flow measurement standards based at NEL and the gear metrology standards located at Newcastle University. The programme includes maintaining and developing current national measurement capability, alongside metrology R&D and work in support of the production of documentary standards such is ISO, BSi and C
