Description

Efficiency East Midlands (EEM) will be conducting a tender exercise to replace our existing Passive Fire Protection Services Framework that is due to expire in November 2026 with a new framework.

The Framework will provide EEM Members with a route to procure passive fire protection services to ensure legal compliance that would meet all the current and future fire protection legislations, ensuring that all works required are carried out to the relevant standards and regulations with high standards of safety and performance throughout the duration of any call off contract.
