Description

Hampshire County Council intends to commission day opportunities for individuals across multiple different client groups from the age of 16 and older. The services will be enabling in nature and will follow an outcomes focused approach.

Services will be delivered flexibly and may be delivered from a pre-existing fixed location ("Building Based") or from a location in the community ("Community Based") or from a combination of the two

Hampshire County Council intends to design a procurement process which will enable the Council to offer contracts to multiple suppliers to meet the diverse range of needs and geographical location of those requiring the services.
