I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

FW Works - SGN Major Works (MW) DPS.MW.727 & Intermediate Pressure (IP)
DPS.IP.727 Refurbishment Dynamic Purchasing System (DPS) - Multisite 0326

II.1.2) Main CPV code

- 45231000 - Construction work for pipelines, communication and power lines

II.1.3) Type of contract

Works

II.1.4) Short description

The framework agreement above is now open to new suppliers to join by following instructions issued by the authority.

In addition to the Framework Agreement, this Call for Competition is also to advertise a Dynamic Purchasing System for the Major Works (MW) and Intermediate pressure (IP). The DPS will advertise all future workload which becomes available or may include reallocation of work awarded under the new framework agreement where the main supplier(s) is unable to fulfil.

The DPS will follow the restricted procedure and suppliers will be admitted based on the criteria set out more precisely in the procurement documents.

The DPS will be put in place prior to award of the Framework Agreements. Suppliers who wish to be considered for participation in the DPS should register their details below and SGN will contact suppliers with further details for participation at the appropriate time.

The DPS shall comprise the following work packages to be published as and when they become available under the following scope.

Major Works (MW) Lot 1 (Lot 1 A Southern) and/or (Lot 1B Scotland)

The primary works activity is for the execution of repair and replacement of mains greater than 12" and 355mm PE. Across SGN sites as they arise.

- policy abandonment and replacement, with polyethylene pipework, of underground cast

iron gas mains and associated steel service pipes with the majority of the cast-iron mains to be abandoned and renewed will be in the diameter range diameter range 9" - 12" ("Tier 2 Mains")

- Replacement of all size steel mains and services due to their condition (non-policy mains replacement)
- Diversion of mains and services at the request of a third party up to all size greater than 8"
- Construction of new reinforcement mains to increase the capacity of the network up to all size greater than 8"

Intermediate Pressure (IP) Lot 2 (Lot 2A Southern) (Lot 2B Scotland)

The primary works activity is for the execution of Intermediate Pressure Works Across SGN sites as they arise.

- Intermediate Pressure (IP) Mains Diversions - Design and Lay
- IP Connections - Design and Lay
- IP Service Laying (Industrial / Commercial) - Design and Lay
- Governor Replacements at all pressure tiers - Design and Build

II.1.5) Estimated total value

Value excluding VAT: £45,500,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Major Works (MW)

Lot No

1A and 1B

II.2.2) Additional CPV code(s)

- 45231100 - General construction work for pipelines
- 45231110 - Pipelaying construction work
- 45231111 - Pipeline lifting and relaying
- 45231113 - Pipeline relaying works
- 45231220 - Construction work for gas pipelines
- 45231221 - Gas supply mains construction work

II.2.3) Place of performance

NUTS codes

- UKI - London
- UKJ - South East (England)
- UKK - South West (England)
- UKM - Scotland

II.2.4) Description of the procurement

Provision of Works for the execution of repair and replacement of mains greater than 12" and 355mm PE

Major Works (MW) Lot 1 (Lot 1A Southern) (Lot 1B Scotland)
