II.2.4) Description of the procurement

WMAT is a multi-academy trust currently comprising 13 schools in the Surrey area. The Trust was formed in 2017 and currently includes 4 secondary schools, 3 special needs schools and 1 primary school. The Trust is growing, with five new schools due to join the Trust prior to the start of the new cleaning contract. It is our intention that as existing contracts come to an end, schools will join the Trust contract with an aligned contract end date. Our ambition over the next five years is to grow to approximately 20 schools in total, based on three equal phases clusters:

- Secondary
- Special Needs
- Primary

During 2025 we anticipate the addition of 1 additional school – likely to be a primary school.

A key element of WMAT's vision for our schools, is the provision of exceptional learning environments. Creating inspiring classrooms in which to learn, teach and spaces for students / children and staff to work and relax sits as one of our core values. We describe this as our drive to create and maintain 'exceptional learning environments'. Our cleaning partner will be a key driver in the maintenance of exceptional environments; both from an aesthetic and environmental sustainability perspective. We are looking to build a relationship which further enhances our school environments, utilising technology and resource efficiencies to create

financial efficiencies and sparkly clean schools.

Importantly, we value developing ‘partnerships’ with specialist providers across a range of specialities. Working together we will develop KPIs to sit alongside regular qualitative feedback from our Business / Operations / Premises leads; ‘Stronger Together’. Our cleaning partner will mirror our passion to be innovative and to initiate different ways of doing things – we are open to suggestions from the successful contractor to review our current services / ways of working and make recommendations for improvement. ‘Restlessness in the pursuit of better’. The successful contractor will also develop excellent relationships formally and informally with key colleagues including Business / Operations Leads, Estates Managers and Headteachers / Principals.

The contract offered includes all cleaning services whilst schools are in session, and periodic / deep cleans. The contract is being tendered on a 3-year basis and will operate as a Guaranteed Performance Contract, with the successful contractor offering the Trust a guaranteed return / cost per annum for the provision of cleaning services. The main contract start date will be 1.4.25, with additional schools joining as their contracts ends.
