IV.1.2) Limitations on the number of operators who will be invited to tender or to participate

Envisaged minimum number 3 and maximum number 6

Objective criteria for choosing the limited number of candidates: Envisaged minimum number 3 and maximum number 6 will be taken through to ITT.

The assessment criteria is set out within PQQ PAS 91 which respondents will be asked to complete subsequently in order to potentially down select to the maximum number of companies required to be invited to tender with the Authority.

The questions within the PQQ will be evaluated as either Pass/Fail, Yes/No or a Scored Evaluation:

(a) PASS/FAIL Evaluation. A number of PASS/FAIL questions each of which must be passed by the Potential Provider in order to progress (except where the Authority has discretion not to fail the Potential Provider). Where evidence has been requested to support a PASS/FAIL question this should be of an acceptable standard.

(b) YES/NO Evaluation. A number of YES/NO questions each of which requires information to be provided by the Potential Provider in order to progress. Where evidence has been requested to support a YES/NO question this should be of an acceptable standard.

(c) Scored Evaluation. An assessment through a Scoring methodology, by Subject Matter Experts (SMEs), of the responses and supporting evidence provided by a Potential Provider to each question with a range of criteria. The Authority may require Potential Providers to demonstrate a minimum capability in certain areas.

The evaluation criteria for each question is detailed within the supporting documents of the PQQ. Potential Providers are to note that where a PASS/FAIL question allows the Authority the discretion to PASS/FAIL, then the Authority will exercise its discretion in determining the exclusion or not of a Potential Provider.

Please Note that a some scored questions require the potential provider meet a minimum

score. Failure to obtain a score in any question will result in the potential providers failure to meet the minimum requirements of the PQQ and therefore their submission will be deemed to have failed. For details of the minimum scores please see supporting document.
