Scope

Description

This will be a collaborative procurement for the provision of domestic services for the Humber Health Partnership.

Made up of two Trusts - Hull University Teaching Hospitals NHS Trust (HUTH) and Northern Lincolnshire and Goole NHS Foundation Trust (NLAG) - we're committed to delivering world-class services for the 1.65 million people we serve.

Our five main hospital sites are Castle Hill Hospital, Diana, Princess of Wales Hospital, Goole and District Hospital, Hull Royal Infirmary, and Scunthorpe General Hospital. We deliver a wide range of community services across North and North East Lincolnshire, including district nursing, physiotherapy, psychology, podiatry and specialist dental services.

We see well over a million patients every year with around 275,000 attendances at our emergency departments, 214,000 hospital admissions and more than a million outpatient appointments. We deliver around 8,700 babies each year and our community services provide vital healthcare to patients in their own homes.

As Teaching Hospitals working with the Hull York Medical School, we are a UK leader in

research and innovation.

We've also been recognised for our work in supporting veterans, newly qualified nurses and our international recruitment programme.
