JHG are looking to enter into contract with an Energy Procurement Provider to procure the Gas & Electric for the organisation. JHG currently use the following amount of energy to all its corporate buildings and sheltered schemes to numerous areas throughout the North West and East Midlands. Whilst these figures were correct at the time of publishing this document and may be subject to change throughout the course of the contract, albeit we only anticipate this to be nominal;

Commodity Number of Meters Volume

Electricity (HH & NHH) 992 7.1 GWh

Gas 115 24.5GWh

Based on the information contained within this ITT, we encourage the bidder to complete Section 6 – Form of Tender and enter their fee proposal to include the following services and to be incorporated with the fuel tariff, along with the other requested documentation listed in Section 5 – Enclosure & Tender Return Check List;

- Energy Procurement with options for purchasing strategies
- Account Management
- Bill Validation
- Regular reporting

- Energy Management Software access
- AMR rollout
- Carbon Reporting
- Service Charge project advice & project management strategy

In addition to this we would also look to discuss and potentially add the following to the service level agreement with the selected Service Provider;

- Historical Auditing
- Future discount and potential savings advice
- De-carbonisation for communal supplies
- Water Supply Contract
- Voids/Empty Properties
